**MENTAL HEALTH & SUPPORTIVE
LIVING SERVICES UNDER TITLE
IVB2 FOR WEST HAWAII**

Section 2

Service Specifications

I. Introduction

A. Overview, purpose or need

1. Overview and Purpose of the Services to be Purchased

The Department of Human Services, Social Services Division, Child Welfare Services Branch (Department) provides social and case management services to children and their biological, extended, foster, or adoptive families to ensure safe, nurturing, and permanent families for Hawaii's children. The Department was awarded its first "Promoting Safe and Stable Families," Title IV-B, Subpart 2 grant, a federal capped entitlement under the Social Security Act and the Child Abuse Prevention and Treatment Act, in September 1994.

The Department of Human Services is seeking proposals for the provision of Title IV-B, Subpart 2 services to achieve safe, nurturing, and permanent families for children in West Hawaii. Services include family support, family preservation, time-limited family reunification, and adoption promotion and support.

- a. Family support services are community-based services which promote the well-being of children and families. They are designed to increase the strength and stability of families, to increase parents' confidence and competence in their parenting abilities, to afford children a stable and supportive family environment, to enhance child development, and to prevent or remedy the abuse, neglect, or exploitation of children.
- b. Family preservation services are services for children and families that are designed to help families at-risk or in crisis. Family preservation services include:
 - Placement prevention services to prevent family disruption and unnecessary removal of children from their homes (as appropriate).
 - Reunification services to help children, where appropriate, to safely return to families from which they have been removed or be placed for adoption or legal guardianship.

- c. Time-limited family reunification services are services and activities that are provided to a child that is removed from the child's home and placed in a foster family home or a child care institution and to the parents or primary caregiver of such a child, in order to facilitate the reunification of the child safely and appropriately within a timely fashion, but only during the 15-month period that begins on the date that the child, pursuant to HRS, is considered to have entered foster care.
- d. Adoption promotion and support services are services and activities designed to encourage more adoptions and legal guardianships out of the foster care system when adoptions and legal guardianships promote the best interests of children. Services include such activities as pre- and post-adoptive and legal guardianships services designed to expedite the adoption and legal guardianship process and support adoptive families and legal guardians. Services will also be provided to families providing permanent custody to children to prevent placements from failing.

2. The planning activities conducted for this procurement are as checked below:

X	Information from <u>fundors</u> (legislature, federal agencies, private foundations, etc.) on funding terms and conditions;
X	Information from <u>other state agencies</u> on services to the same target group;
X	Views of service <u>recipients and community advocacy groups</u> on conditions affecting achievement of desired goals;
X	Views of <u>PROVIDER organizations</u> on how to improve service specifications; a request for information (RFI) process may have been used for this purpose;
X	Information from POS monitoring and other <u>reports</u> for current contracts; and
X	Other data (socio-economic and health trends, waiting lists for services, client satisfaction surveys, etc.).

B. Description of the goals of the service

The Department's broad goals for child welfare services are as follows:

1. Child Safety
 - a. Reduce the recurrence of child abuse and/or neglect
 - b. Reduce the incidence of child abuse and/or neglect in foster care
2. Permanency
 - a. Increase permanency for children in foster care
 - b. Reduce time in foster care to reunification without increasing re-entry.
 - c. Reduce time in foster care to adoption
 - d. Increase placement stability
 - e. Reduce placements of young children in group homes or institutions

The West Hawaii Regional Planning Committee has identified emotional, behavioral, and psychological problems, such as substance addiction, low self-esteem, lack of self-control, and anti-social behavior as caregiver risk factors contributing to the abuse and neglect of children in West Hawaii. The Committee has identified a gap in services, including wrap-around support services available to address these needs, particularly in the area of behavioral problems. The result of providing comprehensive support for families with children will be to strengthen and preserve families at risk for child abuse and neglect or in crisis.

To achieve these goals, Title IV-B Subpart 2 services shall be designed, administered and conducted in accordance with the following principles of family-centered, strengths/needs-based practice:

1. The safety of children is of paramount concern and must guide all child welfare services. Child safety must be the paramount concern when making service provision, placement, and permanency planning decisions.
2. Children need enduring relationships with adults and need to feel that they belong to a family. When safety can be assured, strengthening and preserving biological families is seen as the best way to promote the healthy development of children. When safety within the biological family cannot be assured, children are entitled to safe, nurturing permanent adoptive or foster families.
3. Reasonable efforts to maintain and reunify biological families are important. However, when it is determined that the child's safety in the biological family cannot be assured due to certain aggravated

circumstances or after a period of 12 months of service activities, the Department shall move towards a permanent placement for the child outside of the biological family. Thus, risk and safety assessment skills are important in decision-making and maintaining the quality of child welfare services.

4. Children should be helped to stay with or return to their families, when safety can be assured, through the provision of timely, appropriate, quality, individualized service activities and supports that build on the strengths of children and families and are responsive to their needs.
5. Families (biological, extended, foster and adoptive) should be viewed as partners with the Department and service activities providers and should fully participate in planning, implementing, and evaluating service activities.
6. When children cannot remain safely in their homes, foster care and other temporary placements should be considered as an extension of family life, rather than as an alternative to it. The child's need for attachment should be addressed through strengthening the family as a resource for the child.
7. Concurrent planning ensures that opportunities for timely decision-making regarding permanent placements for children are not missed. Such planning efforts and activities to establish permanency for children begins as soon as a child becomes known to the Department. The array of services requested should expedite the concurrent planning of permanency for children, whether the permanent placement is to be with their biological, foster, or adoptive families.
8. Family crises provide opportunities for families to address problems. When timely, quality, and appropriate services are provided to families in crisis, service activities providers, Child Welfare Services Branch staff, and Family Courts are able to make informed decisions about biological, foster, or adoptive parents' ability to protect and care for their children.
9. Service activities must be comprehensive, coordinated, and collaborative and provided in all designated geographic areas under the contract.
10. Service activities must be culturally appropriate and responsive to the strengths, needs, values, and preferences of the child and family and delivered in a manner that is respectful of and builds on the strengths of the family, the community, and cultural ties. Service activities must address the physical, social, emotional, and educational needs of the child and the family's ability to protect the child. Service activities must provide clear and attainable goal, objectives, and outcomes for each participant.

11. Service activities must be individualized, addressing the unique capacities and needs of each child and family.
12. Service activities must empower families to help themselves and to gain and maintain mastery and control over their ability to protect their children.
13. Service activities must minimize disruption in a child's life and be as normal as possible, promoting full participation in community life and preserving family, neighborhood, and community relationships. Service activities should be provided in the child's community.
14. Service activities should result in children remaining safely in their biological family homes, returning as quickly as possible to safe biological families from foster family care, or moving promptly and smoothly into permanent adoptive, guardianship, or foster family homes.

C. Description of the target population to be served

The target population for Title IV-B Subpart 2 services under this RFP includes families with children in West Hawaii who 1) are referred by CWS or other professional agencies; 2) are victims or are at-risk of child abuse and/or neglect; or 3) are in crisis. The proposal should reflect an effort to strengthen and stabilize families with substance abuse problems and should be inclusive of children in parenting activities, where appropriate.

DHS Child Welfare Services Branch referrals will have first priority.

II. General Requirements

A. Specific qualifications or requirements, including but not limited to licensure or accreditation

1. At the request of the STATE, the PROVIDER must submit to the STATE, if applicable, subcontracts with other agencies for services under this Agreement, prior to the service being provided, for review for appropriateness and relevancy. The PROVIDER shall ensure that all subcontractors comply with the requirements of the contract which includes this RFP. Upon the request of the STATE, the PROVIDER shall submit documentation of the subcontractor's compliance with the requirements of the contract.
2. The PROVIDER must not charge families for contracted services without the prior approval of the STATE.
3. The PROVIDER must assure and be responsible for the continuity of service activities by providing full service activity in the event of staff illness, medical emergencies, vacancies, or other situations that result in program resources that are less than proposed and contracted for. The PROVIDER must not require nor depend on the Department's staff to provide service activities in the event that program resources are not available due to the above situations.
4. The PROVIDER must ensure smooth transitions between service activities for families under the contract and, if applicable, to a new service PROVIDER when the contract ends.
5. As applicable the PROVIDER must provide timely and accurate case documentation to the Department's staff. The documentation must include case status reports, case discharge reports, and other documentation necessary to monitor and evaluate the quality, quantity, and timeliness of service activities.
6. As applicable services must be provided within contracted time limits, or if no time limits are specified, within a reasonable time as well as on weekends and evenings to accommodate clients' work hours.
7. Unless otherwise agreed, the PROVIDER must make available each service activity specified in this RFP in all designated geographical areas to the full extent of the proposed and contracted program resources and funding. Recruitment of staff from the specific geographic area is preferred.

8. The PROVIDER must maintain throughout the term of the contract a system for evaluating the effectiveness of the activities provided with respect to client outcomes. The evaluation process must include tools or instruments to be used to identify client indicators of change and include a process for making improvements or taking corrective action based upon the evaluation findings.
9. The PROVIDER must evaluate its program by using credible and tested measurement tools for program effectiveness in meeting performance and quality standards. Upon request the PROVIDER must provide copies of its evaluation documentation, and any reports that include the contracted service, to the Department.
10. When disagreement between the PROVIDER's staff and the Department's staff exists in regard to the performance of service activities within contracted specifications, the wishes of the Department of Human Services shall prevail. Failure on the part of the PROVIDER to comply shall be deemed cause for corrective action and subject to contractual remedies.
11. During the term of the contract the parties may renegotiate terms and conditions related to the performance of the PROVIDER including but not limited to measurable outcomes, benchmarks for monitoring timely and adequate provision of services, special reporting requirements, pricing methodology, units of service, unit rates, penalties, incentives, and bonuses. At the time of the renegotiation either party has the right to terminate this Agreement under Exhibit "D", General Conditions, paragraph 4.3 or 4.4 as applicable. Any amendments to this Agreement will not constitute a fundamental change as defined in §3-149-303(d) of Hawaii Administrative Rules. A fundamental change is one which "is so great that a reasonable purchasing agency would in light of all the circumstances, re-procure the required services instead of amending an existing contract in order to assure that the state is receiving the most advantageous bargain."
12. The contract will be modified if necessary to comply with any changes in federal or State statutes or rules or the requirements of various funding sources. In the event such changes are necessary, the Department will notify the PROVIDER in writing of the need for the change and the proposed changes. The PROVIDER will have the opportunity to discuss the changes prior to their implementation.
13. The applicant shall comply with the Chapter 103F, HRS, Cost Principles for Purchases of Health and Human Services identified in SPO-H-201 (Effective 10/1//98), which can be found in the POS Manual.

14. The provider must provide service activities in concurrence with the Department's statutory mandates under 45 CFR 1340, Chapters 346, 350, and 587, HRS and Hawaii Administrative Rules. The provider must provide services in concurrence with the Department's philosophy and treatment goals related to child safety, permanency, and child and family well-being.
15. The provider, together with the family and the DHS worker, must develop an individualized case plan consistent with the Department's case plan that provides clear goals, objectives, and service activities based on specified outcome expectations. The provider must assure that the family understands the goals and objectives and that ongoing feedback and progress reports are furnished to the family and the Department.
16. For each program participant with an active DHS-CWS case, the provider shall submit, at minimum, quarterly written client progress reports to the DHS-CWS social worker. The reports shall be in a format approved by the Department and shall include, at a minimum, a description of services requested, the client's participation in services, compliance to the service plan and expected completion of service plan and other information as requested by the worker and/or the Court.
17. The provider must coordinate with the Department, the Regional Planning Committee and other resources within the community to prevent duplication of services and ensure smooth transitions between service activities for families under the contract or when the contract ends.
18. The applicant must provide reasonable accommodations to assure the applicant's capacity to deliver services to those clients with minimal English speaking abilities or physical limitations.

2. Administrative

The PROVIDER shall agree to and shall abide by any Administrative Assurances that are attached to this Section 2 of the RFP.

3. Quality assurance and evaluation specifications

All contracts shall be monitored by the Department in accordance with requirements set forth by Chapter 103F, Hawaii Revised Statutes. 4. Output and performance/outcome measurements

- a. Performance measures are attached to this Section 2 of the RFP. See Form A – People to be Served, Form B – Service Activities, and Form C – Outcomes. The PROVIDER shall insert goal numbers for all items that are blank on Forms A, B, and C. The PROVIDER does not have to specify goal numbers for shaded items, but the PROVIDER will be expected to provide data on these items over the term of the contract. - iii. Unless otherwise agreed, for fixed-rate contracts no budgets or expenditure reports are required. Reports of collections of revenues from other sources of funding may be requested in a format specified by the Department.

c. Penalties for Late Reporting

Unless otherwise specified in the contract, quarterly program and fiscal reports are due 30 days after the end of the quarter. At the option of the STATE and according to the terms and conditions of the contract:

- Payments may be reduced and funding lapsed by 15% when reports are not submitted within 60 days after the end of the quarter.

- If quarterly reports are not submitted within 90 days of the end of the quarter, the PROVIDER will lapse the funding for the quarter for which no reports have been received.

The PROVIDER will still be required to maintain the capacity to provide the contracted level of services in spite of the reduced funding.

8. Pricing structure or pricing methodology to be used

Unless otherwise agreed the pricing methodology for this service is as checked below. The pricing methodology may be revised by mutual agreement throughout the term of the contract.

- ☒ Cost-Reimbursement where the STATE pays the contractor for budgeted costs that are actually incurred in delivering the services specified in the contract, up to a stated maximum contract amount.

- ☐ Base Cost/Fixed Rate Combination where the STATE pays the contractor a base amount for operating costs and a fixed-rate for units delivered up to a stated maximum contract amount.
- ☐ Negotiated rate where the STATE defines a unit of service and may predetermine the total number of units to be delivered or the maximum amount of funding available for the contract. The STATE then negotiates with the contractor the rate to be paid for each unit delivered.

9. Units of service and unit rate

III. Evaluation Criteria

NOTE: Applicants that address all of the required elements for a category as specified below will obtain at least a satisfactory score for that category. If they do not address all of the specified elements, they will receive less than satisfactory. If the review panel believes they addressed all of the elements and did so in an exceptional manner, the panel may award a score above satisfactory up to the maximum number of points for that category.

The panel will rate every category on a scale of 0 through 5 and convert that rating to a point score. For example, a satisfactory score for a category is calculated by dividing the maximum number of points for that category by 5 and multiplying that by 3. Each category below gives the maximum point score and the satisfactory point score in parentheses based on this system.

1. Experience (Maximum = 9 Points; Satisfactory = 5.4 Points)

The proposal includes a listing of verifiable experience with projects or contracts for the most recent eight years that are pertinent to the service activities detailed in Section 2, Part III, Scope of Work, of this RFP. Where contracts are listed, the following information has been provided:

- Contract number;
- Contracting agency;
- Contact person and phone number from the contracting agency; and
- Title of the service or a brief description of the service.

2. Organization (Maximum = 12 Points; Satisfactory = 7.2 Points)

The proposal includes all of the following:

- b. An organizational chart of the proposed program (a Program Organizational Chart) that reflects all of the following:
 - i. Each position budgeted to the program including:
 - a) title from the position description,
 - b) qualification level (e.g., paraprofessional, bachelor's, master's), and
 - c) full time equivalency;
 - ii. In each geographic area; and
 - iii. The lines of authority/supervision.
- c. A justification for the staffing pattern (i.e., number and type of staff and FTEs) detailed in the Program Organizational Chart. This explanation should take into account the numbers of people to be served and the levels of service activities to be provided according to Forms A, B, and C in Section 2 of this RFP.

3. Facilities (Maximum = 8 Points; Satisfactory = 4.8 Points)

The proposal describes all of the following:

- a. Existing or planned office facilities and location; and
- b. Existing or planned service facilities, if different than the office facilities, including general location as well as provisions for licensure if applicable.

4. Service Delivery-Work Plan (Maximum = 48 Pts; Satisfactory = 28.8 Pts)

The applicant has completed all of the items of the Work Plan attached to Section 2, Service Specifications, of this RFP according to the instructions attached to that Work Plan.

NOTE: It is not acceptable to simply reiterate the RFP language when addressing specific tasks.

5. Staff Qualifications (Maximum = 8 Points; Satisfactory = 4.8 Points)

- a. The proposal includes position descriptions for all direct services staff budgeted to this program directly or through subcontract, including back up staff for these direct services staff; and

- b. The position descriptions for direct service staff reflect any minimum qualifications (including experience) specified in Section 2, Service Specifications, of this RFP.
- c. The position titles shall match the titles on the program or organizational chart in category #2.

NOTE: These shall be official agency position descriptions that shall be used in hiring staff for this program. Narrative summaries or resumes cannot substitute for these positions.

6. Forms A, B, and C (Maximum = 9 Points; Satisfactory = 5.4 Points)

The proposal includes numbers and percentages for all items on Form A-People to be Served, Form B-Services, and Form C-Outcomes. These forms are included in Section 2, Service Specifications, of this RFP. The review panel may compare Forms A, B, and C from competing proposals and give higher scores to the more advantageous proposals. Where the applicant gives different or additional numbers than those provided by DHS, a justification is provided.

7. Accounting System (Maximum = 6 Points; Satisfactory = 3.6 Points)

In order to determine the adequacy of the applicant's accounting system as described under the administrative rules, the applicant has submitted with their proposal a copy of their most recent financial audit including any management letter that accompanied that audit.

The proposal includes a copy of the applicant's most recent financial audit. Negative audit findings will result in a score of less than satisfactory. At its option the review panel may seek technical assistance from Fiscal Management office staff or other DHS fiscal staff in seeking to understand the audit findings.

NOTE: This is required only when the proposed pricing structure includes cost reimbursement or a base rate for more than 60% of the funding.

8. Financial (Not Scored)

- c. Where costs are shared with other programs within the agency, the applicant provides a description of its cost allocation methodology. Any cost allocation must be in accord with the Method of Allocation described in the State's Cost Principles for Chapter 103F, HRS. The Cost Principles are found in the POS Manual. At its option the review panel may seek technical assistance from Fiscal Management Office staff or from other DHS fiscal staff in seeking to understand how the Cost Principles apply to the proposal.

C. Phase 3 – Recommendation for Award

Each notice of award shall contain a statement of findings and decision for the award or non-award of the contract to each applicant. Attached to the notice or under separate cover will be a statement of recommendations which must be addressed before the Department will execute a contract.

CRIMINAL CONVICTION RECORD CHECK STANDARDS

I. PURPOSE

To protect the health, safety and welfare of Adult and Community Care Services Branch (ACCSB) and Child Welfare Service Branch (CWSB) clients, criminal conviction information on an individual who wishes to serve as a direct service provider shall be considered in determining whether the individual is suitable to serve as a direct service provider to ACCSB/CWSB clients.

II. STATE CRIMINAL INFORMATION SYSTEM CHECK

A. Upon implementation of these standards, a check of the Hawaii Criminal Justice Data Center's (HCJDC) criminal history record system for a criminal conviction record check shall be conducted when an individual is:

1. Conditionally offered a position as a direct service provider by an agency, purchase of service contractor, or individual employer. Pending the completion of the criminal conviction record check, the individual may be placed in a direct service provider position on a probationary status not to exceed thirty (30) days;
2. In a direct service provider position when these standards become effective. The criminal conviction record check shall be completed within six (6) months of the effective date of these standards.

B. Individuals shall have a criminal conviction record check upon initial hire or implementation of these standards and a second criminal conviction record check twelve months later. Thereafter, criminal conviction record checks shall be conducted every other year.

C. The responsibility for conducting a criminal conviction record check shall rest with the individual seeking to become a direct service provider or the individual/agency/organization hiring the individual as a direct service provider. The criminal conviction record checks shall be conducted through the Hawaii Criminal Justice Data Center, as follows:

- E. A printed criminal conviction record check report, dated no more than six (6) months before the date an initial criminal conviction record check is required may be accepted instead of a new criminal conviction record check being performed.
- F. The Department shall not be directly responsible for any cost related to the criminal conviction record check. Funds received through a Purchase of Service contract with the Department for administrative costs may be used to meet the cost for criminal conviction record checks.

III. CONVICTION RECORDS IN HIRING AND TERMINATING DIRECT SERVICE PROVIDERS

 5. Individuals requesting exemptions shall be informed in writing of the panel's decision within 45 calendar days from the date ACCSB/CWSB receives form DHS 1673, Request for Exemption (From Criminal Conviction Record Check Standards), or similar form. EXHIBIT E

SPECIAL CONDITIONS

1. **Failure to Deliver.** In addition to Section 3.5, Personnel Requirements, and Section 4.2, Termination in General, of Exhibit “D”, the General Conditions, the PROVIDER further agrees to the following: the inability of PROVIDER to provide the necessary personnel shall not be an acceptable reason for failure to complete the services required. Failure to complete any part of the services contained in Exhibit “A”, Scope of Services, and any attachments to Exhibit “A” as applicable, shall be deemed to be a failure to provide the required services adequately or satisfactorily, entitling STATE to terminate this Agreement. The service shall not be deemed delivered or performance completed until all elements of each service are delivered or completed and accepted by STATE.
2. **Insurance.** In addition to Section 1.4 of the General Conditions, Exhibit “D”, in order to protect PROVIDER as well as the State of Hawaii and their officers, employees, and agents covered under the indemnification provision in this Agreement, PROVIDER shall obtain and keep in force throughout the period of this Agreement the following insurance:
 - a. Automobile liability insurance as applicable, for automobiles owned or leased by PROVIDER and used to carry out services specified in this Agreement, shall be obtained from a company authorized to do business in the State of Hawaii, or meet Section 431:8-301, Hawaii Revised Statutes, if utilizing an insurance company not licensed by the State of Hawaii and complying with the Hawaii No Fault Insurance Law. The amount shall be at least THREE HUNDRED THOUSAND AND NO/100 DOLLARS (\$300,000.00) each person with respect to bodily injury and FIFTY THOUSAND AND NO/100 DOLLARS (\$50,000.00) each occurrence with respect to property damage. Prior to or upon execution of this Agreement, PROVIDER shall furnish STATE with a Certificate of Insurance verifying the existence of such insurance. Such certificate shall also contain an endorsement that such insurance may not be cancelled except upon thirty (30) calendar days written notice to STATE.

If the PROVIDER’S employees are required to use personally owned automobiles to transport clients in order to carry out services specified in this Agreement, PROVIDER shall require said employees to have a valid driver’s license and to use only vehicles for which there is automobile liability coverage of at least ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$100,000.00) each person with respect to bodily injury and THIRTY THOUSAND AND NO/100 DOLLARS (\$30,000.00) each occurrence with respect to property damage.

If the PROVIDER’S employees are required to use personally owned automobiles to carry out services specified in this Agreement exclusive of transporting clients, PROVIDER shall require said employees to have a valid driver’s license and to use only vehicles with at least minimum no-fault coverage required by law.

- b. Errors and omissions liability insurance issued by a company authorized to do business in the State of Hawaii, or meet Section 431:8-301, Hawaii Revised Statutes, if utilizing an insurance company not licensed by the State of Hawaii, in a total aggregate amount that will pay up to ONE MILLION AND NO/100 DOLLARS (\$1,000,000.00) per occurrence. Prior to or upon execution of this AGREEMENT, PROVIDER shall furnish STATE with a Certificate of Insurance, verifying the existence of such insurance. Such certificate shall also contain an endorsement that such insurance may not be cancelled except upon thirty (30) calendar days written notice to STATE.

Failure of PROVIDER to provide and keep in force such insurance shall be regarded as failure to provide the required services adequately or satisfactorily, entitling STATE to exercise any or all of the remedies provided in this Agreement.

The procuring of such required policy or policies of insurance shall not be construed to limit PROVIDER'S liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement. Notwithstanding said policy or policies of insurance, PROVIDER shall be obliged for the full and total amount of any damage, injury, or loss caused by the negligent act or omission of PROVIDER or its authorized representatives.

3. **Notice.** Any notice, bill, invoice, report, request, correspondence, approval, communication or demand that either party desires or is required by this Agreement to give the other party shall be in writing and either served personally or sent through the United States Postal Service by pre-paid first class mail to the addresses noted below. Either party may change its address by notifying the other party of the change in address in writing. The PROVIDER shall furnish a copy of any such audit to STATE.
10. **Federal Funds.** In addition to Section 1.1.2, Federal Funds, of the General Conditions, Exhibit "D", when receiving Federal Funds, the PROVIDER shall comply with all regulations and requirements of the expending Federal agency and complete all required forms and documents. The PROVIDER shall allow full access to records, reports, files, and other documents so that the program, management, and fiscal practices may be monitored by federal representatives directly connected with the program under this Agreement.
11. **Accounting System.** The PROVIDER shall maintain an adequate accounting system for keeping procurement and financial records required by STATE, and shall maintain books, records, documents and other evidence which sufficiently and properly reflect all funds received, all direct and indirect expenditures of any nature related to PROVIDER'S performance and provide an adequate audit trail to support the claims for reimbursement under this AGREEMENT. The requirements for an adequate accounting system shall include, but are not limited to:
- The ability to keep all the procurement and financial records accurately as required by law, the purchasing agency, or the state procurement office;
 - The ability to permit timely development of all necessary cost data in the form required by the specific contract type contemplated; or
 - Compliance with generally accepted accounting principles.
12. **Maintain Records.** In addition to General Conditions, Exhibit "D", Section 2.3, Record Retention, PROVIDER shall maintain statistical, clinical and administrative records pertaining to services of this Agreement. The records shall be subject at all reasonable times to inspection or review by STATE or Federal representatives directly connected with the program area under this Agreement.
13. **Intent to Reduce, Terminate or Deny Services.** The PROVIDER shall notify STATE of its intent to reduce, terminate or deny services to a STATE referred individual or family at least fourteen (14) working days before the date of termination or denial of services, except in cases which require immediate termination, or as stated elsewhere in this Agreement.
14. **For Business Termination.** In addition to the requirements of Section 4.2, Termination in General, in the General Conditions, Exhibit "D", PROVIDER further agrees to the following: if PROVIDER shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the

appointment of a receiver for its business or assets, or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Code or any other statute of any state relating to insolvency or the protection of rights of creditors, then at the option of STATE this Agreement shall terminate and be of no further force and effect and any property or rights of STATE, tangible or intangible, shall immediately without further notice or demand, be returned to STATE.

15. **Equipment.** If more than fifty percent (50%) of total contract funds specified in Exhibit “B” of this Agreement are paid according to a cost reimbursement pricing methodology, then all equipment purchased with contract funds under this Agreement including items of personal property, as distinguished from real property, that have an acquisition cost of \$250.00 or more per item and with an expected life of more than one year, shall remain the property of STATE. Following the Agreement period, all equipment shall be reported in the final fiscal report to STATE. Disposition of said equipment shall be prescribed by STATE.
16. Exhibit “D,” General Conditions, item 1.6, Reporting Requirements, is revised as follows:

The PROVIDER shall submit a Final Project Report to the STATE containing the information specified in Exhibit “B” to this Agreement if applicable, or otherwise satisfactory to the STATE, documenting the PROVIDER’s overall efforts toward meeting the requirements of this Agreement, and where applicable in Exhibit “B,” listing expenditures actually incurred and units actually delivered in the performance of this Agreement. The PROVIDER shall return any overpayments to the STATE.

17. **Option to Extend.** STATE and PROVIDER may agree in writing to extend the terms of this Agreement in accordance with any of the following that are checked:

	When the Agreement was exempt from procurement rules in accordance with Hawaii Administrative Rules at §3-141-503.
	If STATE and PROVIDER agree to an extension to utilize unspent funds.

18. As stated in Section 508 of Public Law 103-333, with regard to statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, all grantees receiving federal funds, including but not limited to State and local governments and recipients of federal research grants, shall clearly state (1) the percentage of the total costs of the program or project which will be financed with federal money, (2) the dollar amount of federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

19. **Environmental Tobacco Smoke.** The Provider must comply with Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for provision of health, day care, education, or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug and alcohol treatment.

The Provider further agrees that the above language will be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day.

20. **Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tiered Covered Transactions.** The Provider agrees that any subgrantee under this agreement, also known as a lower tier participant under federal regulations, shall sign the following Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tiered Covered Transactions:
- a. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
 - b. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
21. **Nondiscrimination.**
- a. **Race, Color, and National Origin.** In accordance with Part 80 of Title 45 of the Code of Federal Regulations which effectuates Title VI of the Civil Rights Act of 1964, the Provider and any subgrantees hereby assure that no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded under this Agreement.
 - b. **Handicap.** In accordance with Part 84 of Title 45 of the Code of Federal Regulations which effectuates section 504 of the Rehabilitation Act of 1973, the Provider and any subgrantees hereby assure that no qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity funded under this Agreement.
 - c. **Sex.** In accordance with Part 86 of Title 45 of the Code of Federal Regulations which effectuates Title IX of the Educational Amendments of 1972 as well as section 844 of the Educational Amendments of 1974, the Provider and any

subgrantees hereby assure that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any educational program or activity funded under this Agreement.

- d. **Age.** In accordance with Part 91 of Title 45 of the Code of Federal Regulations which effectuates the Age Discrimination Act of 1975 and except as may be specified in the Scope of Services of this Agreement, no person shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded under this Agreement.
22. **Certification Regarding Lobbying.** The Provider and any subgrantees shall sign and submit to State the Certification Regarding Lobbying as required by New Restrictions on Lobbying, Part 93 of Title 45 of the Code of Federal Regulations.
23. During the term of this Agreement the parties will be renegotiating terms and conditions related to the performance of the PROVIDER including but not limited to measurable outcomes, benchmarks for monitoring timely and adequate provision of services, special reporting requirements, pricing methodology, units of service, unit rates, penalties, incentives, and bonuses. At the time of the renegotiation either party has the right to terminate this Agreement under Exhibit "D", General Conditions, paragraph 4.3 or 4.4 as applicable. Any amendments to this Agreement will not constitute a fundamental change as defined in §3-149-303(d) of Hawaii Administrative Rules. A fundamental change is one which "is so great that a reasonable purchasing agency would in light of all the circumstances, re-procure the required services instead of amending an existing contract in order to assure that the state is receiving the most advantageous bargain."
24. PROVIDER acknowledges and agrees that STATE shall only compensate PROVIDER for services provided to referrals made by STATE, but that nothing contained in this Agreement obligates STATE to provide any such referrals to PROVIDER.
